

The Perfect Date at Christmas Town™

1. Start your evening by seeing how Busch Gardens® shines brightest by taking a ride on the **Skyride** from England to the North Pole. This romantic journey gives you a sky-view of our eight million lights.
2. You won't want to miss the view from **Nacht Tower™**. The ride goes up and down slowly to paint an amazing picture of what Christmas Town™ has in store.
3. Grab your honey's hand and take a stroll through **Holiday Hills™** for the amazing scenery, games and rides to light up your night.
4. **Polar Pathway** is the perfect place to take a selfie with your sweetheart. The breathtaking waterfalls, dazzling light display and the smell of Christmas trees will preserve this Christmas Town memory for a lifetime.
5. Next, grab a hot toddy or our signature hot chocolate from **Cobblestone Ale & Spirits™** in England and warm up by the fire pit. Let the fire illuminate and warm your faces as you relax and share quality time.
6. Be sure to capture the experience of Christmas Town with a photo in Scotland. The **Horse and Carriage photo op adds** a classic touch to a romantic evening. #RelationshipGoals
7. **Grogan's Grill** is a great place to stop and eat, and typically has less hustle and bustle than some of the other dining options. Get cozy in one of the heated seating areas as you grab a bite to eat (we recommend the Turkey Dinner Panini©.)
8. Head over to France to see the new ice show **'Twas That Night™** starring world champion figure skater Elvis Stojko. If you really want to impress your honey, look into getting reserved seating, so you can be front and center to view the performance.
9. Alas, before you bid adieu to Christmas Town take a ride on our **train**. Snuggle up with one another as the conductor takes you on a journey that'll make you feel as if Christmas is here.
